**Other:**

**Abstract:** Dedicated to telling the medical story of the Civil War – a story of care and healing, courage and devotion amidst the death and destruction of America’s bloodiest war. It is also a story of major advances that have had a lasting impact on modern medicine. The NMCWM has nearly 10,000 square feet of exhibit space on two floors, divided into nine spacious galleries. The galleries feature life-like displays depicting medically-related scenes, display cases housing a collection of over 1,500 original artifacts, and information panels discussing various aspects of Civil War medicine.

**Holdings:** Extensive collection of books related to Civil War Medicine.

**Collection Subject Strengths:** History of Medicine; History of Military/Naval Medicine
